The hotel was recently built. It is located in Savelletri, a charming fishing village. Thanks to the small harbour, the village is renowned for its good range of fish restaurants. The rooms are spacious and have design furniture. The day begins in the name of euphoria: breakfast with a magnificent "sea view" is served on the top-roof terrace, which, in the evening, becomes a lounge bar. The owner, the manager and all the staff take genuinely care of the clients: the passion for their work, a quality that Kalitumba Travel shares and which makes them a highly esteemed partner.
