Completely secluded in the countryside of Martina Franca, which is about 8 km away, the hotel stands out for its large open spaces where you can enjoy peace and quiet. The ancient farmhouse building accommodates the restaurant and the reception. A wide horse-shoe-shaped building houses the rooms, which are very simple but spacious. While silently walking through the close by grove, you might be lucky enough to spot some shy deer. The hotel gives shelter to other animals such as donkeys from Martina Franca, black pigs, geese and turkeys.
